

Vascular HealthCare Ultrasound

“Thankyou” from all the Drs and staff at Vascular HealthCare.

We are remaining open during the COVID-19 pandemic to continue to provide you and your patients with high quality care of vascular conditions.

To ensure staff and patient safety, in the foreseeable future we are operating out of our Gateshead and East Maitland premises only. This allows us to maintain the highest hygiene standards and conserve resources when we need them most.

Through our small size and appointment staggering, we are able to provide an environment for patients which offers the least interaction with others, ensuring social distancing in waiting rooms.

Both sites have free on-site parking and are wheelchair accessible.

- **Ultrasound Bookings -1300 664 227, email info@vascularhealthcare.com.au Fax 4920 6476.**
- **Dr Mathew Sebastian - 4942 1035, Fax 4920 6476**
